
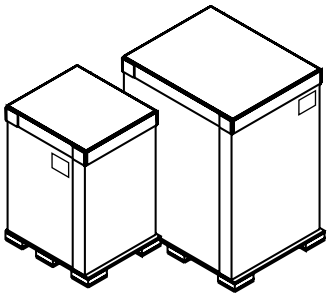
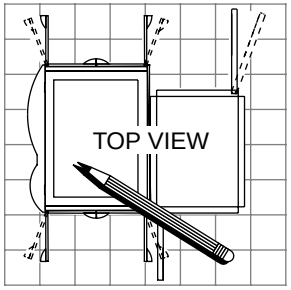
Please read this document *completely* before proceeding with unpacking and installing the Enterprise 10000 system.

After the system arrives, customers should contact their local service provider. Installation, verification, and maintenance should be performed only by qualified service personnel. The following steps are for the installer.

If multiple systems were shipped, separate all boxes by the serial numbers listed on the shipping label. Confirm all boxes are present.



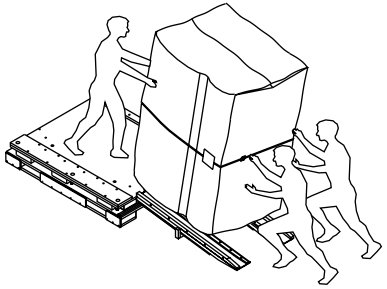
1.



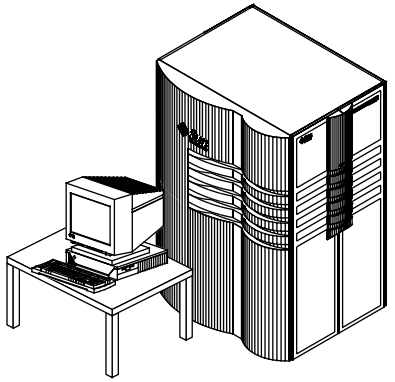
Prior to installing the system, confirm the site is properly prepared for the Enterprise 10000 system and that the software configuration setup parameters worksheet is complete.

2. **Refer to the** *Sun Enterprise 10000 System Site Planning Guide***, part number 805-2914.**

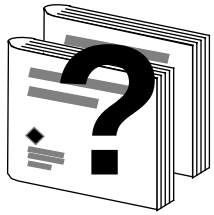
Once site preparation is confirmed, unpack the Enterprise 10000 cabinet, referring to the *Sun Enterprise 10000 System Unpacking Guide***, part number 805-2915.**



Next, install the Enterprise 10000 system according to the *Sun Enterprise System Hardware Installation and De-Installation Guide***, part number 805-4651.**



3. **If this is an upgrade, refer also to the** *Ultra Enterprise 6000 System and CS6400 System to Ultra Enterprise 10000 System Upgrade Guide***, part number 805-0967.**



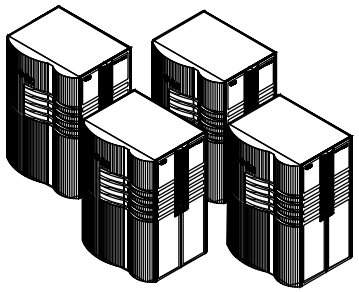
In the event of a failure, refer to the documents listed below:

4. *Sun Enterprise 10000 System Service Guide***, part number 805-2917**

- *Sun Enterprise 10000 System Overview Manual*, part number 805-0310

Following the installation and verification of the Enterprise 10000 system, complete and return the Installation Report located with the system.

5.



If the system is to be part of a cluster, refer to the Sun™ Cluster Roadmap, *Getting Started***, part number 805-1292.**

6.

You may now proceed with unpacking and

Accessing Sun Documentation Online

A broad selection of Sun system documentation is located at the following web site:

`http://www.sun.com/products-n-solutions/hardware/docs`

To locate the most current documentation at this site, select a product category. The documents at that location may include updated information that did not ship with your product, such as product notes, release notes, late-breaking news, or later revisions of manuals.

A complete set of Solaris documentation and many other titles are located at:

`http://docs.sun.com`

Ordering Sun Documentation

Fatbrain.com, an Internet professional bookstore, stocks select product documentation from Sun Microsystems, Inc. For a list of documents and how to order them, visit the Sun Documentation Center on Fatbrain.com at:

`http://www.fatbrain.com/documentation/sun`

Sun Welcomes Your Comments

Sun is interested in improving its documentation and welcomes your comments and suggestions. You can email your comments to Sun at:

`docfeedback@sun.com`

Please include the part number (805-2913-13) of the document in the subject line of your email.
