License Certificate

VERITAS Proof of License Certificate

Caution – This software license certificate explains how to obtain a license key for enabling the VERITAS product you purchased. You need the serial number on this card to obtain the license key, licensing support, and future upgrades. Put this certificate in a location where you can easily access it when required.

Important serial number on the license sticker on this card.

1. Fill out the form on the back of this card.
2. E-mail or fax to the Sun License Center for your region listed in TABLE 1 the following:
 - the information you recorded on the back of this card
 - the serial number from the license sticker
 - the version of VERITAS Volume Manager or File system software you are using
